Todd - No problem on the extension.

I'm home sick today.. Caught on of those summer bugs. My mom just brought me chicken soup though, so it's almost worth being sick.

Ron:

As you can see, I am a little late in getting things filed for our motion for SJ in Abourezk et al v. Marino and Marino. I have moved offices and had some major problems with my daughter in the last week. Would you be willing to waive an objection for late filing? I think I can get it in today. I would owe you one.

Please note my new contact information below.

Thanks.

Best regards,

Todd D. Epp, LL.M.
